Re: *California Sportfishing Protection Alliance v. Solano Garbage Company*  
Case No. 3:09-cv-00243-SI

Dear Judge Illston:

The Case Management Conference (CMC) in this matter is set for Friday, June 12, at 2:30 p.m. Unfortunately, the date and time conflict with my daughter's graduation ceremony. I am writing to request that my associate, Erik A. Reinertson, be allowed to attend the CMC in my place. Mr. Reinertson is fully informed on all issues in the matter and will be authorized to speak on my behalf. Mr. Chermak has no objection to this request, and we have endeavored to work out a mutually agreeable discovery and trial schedule for our joint statement in advance of the June 12 CMC.

Very truly yours,

Scott W. Gordon  
Attorney for Solano Garbage Company
